## MAILART & ARTBYMAIL // OPEN\_CALLS & EXHIBITIONS REPOSITORY

? what's the deal with [www.mailart.pt](http://www.mailart.pt)  
like it or not, [www.mailart.pt](http://www.mailart.pt) lists all active mailart open calls sorted out by due date, as well as exhibitions, artists and links of interest ... but it may end up being much more ... only after starting this listing, at 01.august.2018, i did realized the extraordinary amount of new open calls coming up all the time ... almost 20 new ones per month! and that's only those that i can grasp... from automatic bot searches, constant research, direct emailing and from those special people that keep me updated on what is going on on the mail art community

// check the FAQ section to learn how to contribute to this archive and how to submit artwork to the listed open calls
