Broken windows and empty hallways,
A pale dead moon in a sky streaked with grey
Human kindness is overflowing.
And I think it's gonna rain today.
Scare crows dressed in the latest styles,
The frozen smiles to chase love away
Human kindness is overflowing
And I think it's gonna rain today
• Lonely, lonely. Tin can at my feet,
• I think I'll kick it down the street
• That's the way to treat a friend.
• Bright before me the signs implore me
• Help the needy and show them the way
• Human kindness is overflowing
• And I think it's gonna rain today.
- Randy Newman
