The **Culture Department of the Municipality of Quiliano**, in collaboration with **SACS (Space of Contemporary Experimental Art)** and the **Public Library A. Aonzo**, organizes a Digital Art project entitled “**Rebirth**”.

Participating artists are called to express themselves on the potential rebirth after this difficult period of sanitary emergency involving all over the world.

In a period, in which only technologies allow us to keep connected, we'll employ the digital art in order to continue and involve artists in our two-yearly projects.

Artists have to send a digital artwork only by e-mail to the following address:

**info@sacsarte.net or (through link for downloading)**

**The digital artwork must be in jpg format, with a resolution between 700KB and 900KB  
In the file name specify name and surname: name\_surname.jpg**

Artists participating in this event have absolutely to indicate in the e-mail:

- name and surname
- address
- town
- Nation
- e-mail address

These data will allow us to insert and update properly our contacts in our data base to realize advertising material.

Your works must be received us no later than **July, 31th 2020**.

In the months of September/October inside of the Public Library A. Aonzo we are going to create a virtual event which will allow to enjoy your artworks through a video and installation.

A digital catalogue will be also created that will be available for download from the site ([www.sacsarte.net](http://www.sacsarte.net)) and from your Facebook profile ([www.facebook.com/sacs.arte](http://www.facebook.com/sacs.arte)) of SACS.

The forwarded artworks will become a part of the SACS 'archive of the Municipality of Quiliano and consequently published in the Digital-Art Archive in our site [www.sacsarte.net](http://www.sacsarte.net).

Artists, who intend to join this available project, implicitly accept these conditions and waive any copyright restrictions; in addition they allow the processing of their personal data for the only purpose of this initiative and on-going cultural events relating to it.
