

VII International Avilés Mail Art Exhibition

Ayuntamiento de Avilés and ANMinvestigación are pleased to invite creatives from around the world, and everyone who wants to join the initiative, to participate in the **VII International Avilés Mail Art Exhibition**, themed “**the origin**”, to be held at the Palacio de Valdecarzana, in Avilés, Asturias (Spain; Europe), **during December 2022**.

CORREOS Filatelia will issue a stamp with one of the postal works selected among all those received for the VI International Exhibition of Postal Art in Avilés, with the slogan «**the origin**», and which will be put into circulation in the VIII edition of 2023.

Participants must specify in their work their consent by writing the text **SÍ CEDO**, if they agree that their work is used, or **NO CEDO** otherwise.

From among the postal works where **SÍ CEDO** appears, CORREOS Filatelia will choose the work that is the object of the stamp.

The chosen postal work will not have a commercial character since the stamp is stipulated as a postage fee, not carrying out any type of commercial action outside this limitation without the authorization of the author.

CORREOS will disseminate said work/stamp with the author's name and surname both on the stamp and in the disclosure that is made of it.

Send your postcards, made with any materials of your choice, and feel free to create as long as the theme “**the origin**” is present: **the origin, life, birth, delivery, cradle, beginning, provenance, homeland, root, universe, egg, embryo, seed, species...**
